Dear Beading Friends,

As I write this, we just sprung forward into daylight savings time. Although, I hate losing the hour, I love the lighter evening hours and "Sprummertime"! We have a great Sprummer schedule this year with lots of classes and many events and trunk shows. We are welcoming 2 new guest teachers this season Cliff Swain-Salomon, in June and Franklin Martin, in July. We welcome back several returning guest teachers including Carol Cypher (May) and Heather Kingsley-Heath (May-June) who haven't been here for awhile.

We will be having a few added BATC (Beading at the Castle) dates this season. Our second Tuesday event has become a monthly destination for many of you and the extra beading time has been welcomed by many of you as well. Come and bring your beading (wire work) project, perhaps a friend, lunch (if you want) and meet fellow beaders. Our classroom is yours and help is available on a "if we can help you, we will" basis. Keep your eyes posted for the dates on the monthly calendars. I will also remind you in our weekly emails. If you are not getting these communications and would like to, please sign up the next time you are in the shop or send me an email and I will add you to our list.

As a participant in the Kalmbach Book Rewards program, we will be offering 4 separate classes this season from various Kalmbach books. They will be taught by members of our CC gang. You can find all the information in the newsletter and on our website.

I want to wish all the Sprummer babies a very Happy Birthday. Remember to come in during the month of your birthday to receive 20% off one shopping trip to Creative Castle and we will punch your key tag for the amount of your purchase for future redemption.

Please let us know if there is any beading need you have; we would like the opportunity to help. It is our goal to provide you with not only wonderful merchandise but also a fabulous environment in which to discover it, as well as an extraordinary shopping experience.

Happy beading,

♥ Carole
