Newsletter Wing '18 (Winter-Spring)

Dear Beading Friends,

Happy Wing and Happy New Year! As I am writing this I find myself grateful for all the wonderful people I have met through "this job". I appreciate your choice of continuing to support "your local bead store". If it were not for you we would not still be here. That being said, Creative Castle is still looking for a buyer; it would be great to celebrate new ownership as well as our 29th anniversary so Creative Castle can continue on.

We will be having a few added BATC (Beading at the Castle dates this season). Our second Tuesday event has become a monthly destination for many of you and the extra beading time has been welcomed by many of you as well. Keep your eyes posted for the dates on the monthly calendars. I will also remind you in our weekly emails. If you are not getting these communications and would like to, please sign up the next time you are in the shop or send me an email and I will add you to our list.

We will be hosting a Trunk Show of Kandra's personal stash of beads. I have known Kandra for over 15 years and we have become quite good friends. Her bead stash is phenomenal. This is a fabulous opportunity to add to yours with some finds that are quite rare in today's bead marketplace. Mark your calendar for January 5-7. It will be worth the trip. We have other trunk shows scheduled this season including our annual Italian Bead Trunk Show February 14-18 with Nicole from Venice, so be sure to check out the calendar listings.

We will be hosting some new teachers this season. Sarah Thompson specializes in wire and hails from Washington. Miriam Shimon is from Israel and is not only a seed beader but also teaches soutache. We also welcome many returning favorites so check out the calendar and register!

I want to wish all the Wing babies a very Happy Birthday. Remember to come in during the month of your birthday to receive 20% off one shopping trip to Creative Castle and we will punch your key tag for the amount of your purchase for future redemption.

Please let us know if there is any beading need you have; we would like the opportunity to help. It is our goal to provide you with not only wonderful merchandise but also a fabulous environment in which to discover it, as well as an extraordinary shopping experience.

Happy beading,

♥ Carole
